

WHS

**Instructions for Accessing Online Learning Website
All Students are Known & Learning**

Here are instructions for learning online while you are at home:

<https://sites.google.com/winterset.k12.ia.us/wcsdcontinuouslearning/home>

1. Go to the above website
2. Click on "High School" on the top of the page
3. Select your subject area based on your current WHS Schedule (English, Math, etc..)

If you have any questions or concerns while you are out of school, you can access your teacher's email address on the website. Once you reach out to our teachers, they will communicate with you.

Google Classroom is where you will need to go to access assignments, submit work, etc. Google Classroom information can be found on the all-District link above and by emailing your WHS Teachers.
